Description :

PDF-e4db6 | An acclaimed critic argues that video games are the most vital art form of our time. Video games have seemingly taken over our lives. Whereas gamers once constituted a small and largely male subculture, today 67 percent of American households play video games. The average gamer is now thirty-four years old and spends eight hours each week playing--and there is a 40 percent chance this person is a wo... *Bit by Bit: How Video Games Transformed Our World*
