Description :

PDF-40945 | Building Chicago presents the best of this country's first city of architecture. Colloquially known as America's "second city," Chicago is widely regarded as this country's crown jewel when it comes to architecture. The roster of masters who have helped shape its skyline and streetscape stands as a who's who of the architectural pantheon from the last two hundred years, from Louis Sullivan... *Building Chicago: The Architectural Masterworks*
