Description :

PDF-12e8b | Ansel Adams and his contemporaries Edward Weston and Eliot Porter pioneered landscape photography. The second edition of this bestselling book will show you what can be learned from the working processes of these masters, and how their lessons on light, composition, and mood can be applied today. As one of Adams' natural successors in the field, Michael Frye's own photography provides many stunnin... *Digital Landscape Photography: In the Footsteps of Ansel Adams and the Masters*
