Description :

PDF-0a56e | Photographer and teacher Brenda Tharp marries photography craft with artistic vision to help intermediate photographers translate what they see into a personal impression of a subject in nature. Using single images, along with before-and-after and with-or-without examples, Expressive Nature Photography teaches how to make exposures that are creative, not necessarily correct. Inspiring photograp... *Expressive Nature Photography: Design, Composition, and Color in Outdoor Imagery*
