by Charles R. Mitchell : **Flying High: Pioneer Women in American Aviation (Images of Aviation)**

ISBN : # | Date : 2002-05-28

Description :

PDF-382f3 | In the beginning of the twentieth century, women were demanding more freedom. What could bring more freedom than a chance to fly? Women went up in those early wire-and-fabric contraptions to gain independence, to make money, or to make their names as pilots. They sought to prove that women pilots could do just as well as men--and some did far better. *Flying High: Pioneer Women in American Aviation* tells the story of these women. *Flying High: Pioneer Women in American Aviation (Images of Aviation)*
