Description :

PDF-e7f52 | Public transit is a powerful tool for addressing a huge range of urban problems, including traffic congestion and economic development as well as climate change. But while many people support transit in the abstract, it's often hard to channel that support into good transit investments. Part of the problem is that transit debates attract many kinds of experts, who often talk past each other. O... *Human Transit: How Clearer Thinking about Public Transit Can Enrich Our Communities and Our Lives*
