Description :

PDF-121cd | The visionary nature of the Apocalypse—the biblical book of Revelation—along with its detailed descriptions of the end of the world have long made it ideal for illustration. Illuminated texts of the Apocalypse were particularly popular in thirteenth-century England, and the copy in the collections of the J. Paul Getty Museum, with its lively narrative miniatures, stands as a testament to the a... *Illuminating the End of Time: The Getty Apocalypse Manuscript*
