Description :

PDF-fae53 | Landscape Meditations examines the process of capturing a sense of place through a series of views of a single landscape subject, like Van Gogh did with sunflowers or Monet did with haystacks and cathedrals. Topics explored include using mist, wildflowers, the beach, fields, trees, and roads and pathways. Each of these topics begins with a brief introduction to the specific theme, followed by pain... *Landscape Meditations: An Artist's Guide to Exploring Themes in Landscape Painting*
