Description :

PDF-70bf8 | Moments of peak action are well-known in sports photography, but they also happen in nature photography. The light can change within seconds and the best light may occur only long enough for a single frame. To create dramatic images, landscape photographers must first recognize those moments of magic light that get the heart pumping and blood flowing. While the sunrise and sunset hours provide rec... *Magic Light and the Dynamic Landscape: Take Advantage of Light and Weather to Create Amazing Photographs*
