Description :

PDF-495da | This book was written for bassists who wish to learn to read music as well as for those who wish to sharpen their music reading skills. The studies in the book progress from beginning to professional levels and represent a variety of styles that modern bassists are likely to encounter in real-world musical situations. For those conversant in music's universal language, a whole world of musical sty... *Mel Bay Note Reading Studies for Bass*
