Description :

PDF-603c1 | Over the past three hundred years New England's landscape has been transformed. The forests were cleared; the land was farmed intensively through the mid-nineteenth century and then was allowed to reforest naturally as agriculture shifted west. Today, in many ways the region is more natural than at any time since the American Revolution. This fascinating natural history is essential background fo... *New England Forests Through Time : Insights from the Harvard Forest Dioramas*
