Description :

PDF-8e122 | This innovative book explores religion through music, one of the most universally recognized forms of human experience. The only art form named after a divinity, music has been documented from prehistory to the present age in virtually all known cultures. For many, music is a vehicle for spiritual growth and community empowerment, whether it's understood as a gift of the gods or simply a practi... *Sacred Sound: Experiencing Music in World Religions*
