Description :

PDF-e8100 | Sir Christopher Wren's St Paul's, built after the Fire of London of 1666, has become the City's most familiar landmark, its dome with the ball and cross above it symbolic of London's steadfastness down the centuries and its endurance during the Second World War. When it was newly completed, in the early eighteenth century, it seemed breathtaking and unlike any other cathedral or church in Britain.... *St Paul's Cathedral: 1,400 Years at the Heart of London*
