Description :

PDF-c7696 | True beauty is found in nature, making this the perfect sketch book for your art inspiration! As if being responsible for dazzling sunsets and the aurora borealis were not enough, nature is also guardian to the universal principals of design. With mathematical perfection, its recurring structures seem to magically adapt as they show up in hundreds of ways: the radial star at the center of snowflake... *Star, Branch, Spiral, Fan: Learn to Draw from Nature's Perfect Design Structures*
