Description :

PDF-ea7eb | Swiss graphic design and “the Swiss Style” are crucial elements in the history of modernism. During the 1920s and ’30s, skills traditionally associated with Swiss industry, particularly pharmaceuticals and mechanical engineering, were matched by those of the country’s graphic designers, who produced their advertising and technical literature. These pioneering graphic artists saw design as p... *Swiss Graphic Design: The Origins and Growth of an International Style, 1920-1965*
