Description :

PDF-236af | The history of Union Station is a fascinating story. In 1907, Washington's train station was built as part of the McMillan Plan to create a monumental gateway to the nation's capital. Its construction made space for and shaped the development of the National Mall. The building is considered to be one of the finest examples of the Beaux-Arts style of architecture, and today it is the most frequ... *Union Station in Washington, DC (Images of Rail)*
