Visualization and Engineering Design Graphics with Augmented Reality (Second Edition) PDF

by Mariano Alcañiz : **Visualization and Engineering Design Graphics with Augmented Reality (Second Edition)**

ISBN : #1585039055 | Date : 2014-03-27

Description :

PDF-d32e0 | This book is designed as a learning tool to help the aspiring engineer learn the language of engineering graphics. In this regard, this book is hardly unique, as there have been literally hundreds of books published in the past that had a similar goal. The main challenge faced by engineering graphics books comes from the difficulty of representing and describing three dimensional information on pa... *Visualization and Engineering Design Graphics with Augmented Reality (Second Edition)*
