Description :

PDF-d95ed | O. Winston Link photographed the Norfolk and Western, the last major steam railroad in the United States, when it was converting its operations from steam to diesel in the 1950s. Link's N&W project captured the industry at a moment of transition, before the triumph of the automobile and the airplane that ended an era of passenger rail service. His work also revealed a small-town way of life that... *O. Winston Link: Life Along the Line: A Photographic Portrait of America's Last Great Steam Railroad*
